## RETIREMENT PROPOSALS

25X1

1. The Director has received a detailed review of the serious issues presented by proposed changes in retirement benefits and eligibility which would affect current employees and proposed social security coverage for new employees. These proposals were described in the referent bulletin.

2. The Director also is aware that the proposed changes have generated great concern throughout the Agency. Be assured that these concerns are being carefully considered. Employees will be kept informed as additional information becomes available.
